

18 November 2020

Dear Parents and Caregivers

As you may be aware the Premier has announced a 6 day state-wide lockdown from midnight tonight.

Schools will closed for this period.

This is a challenging time, and the department has approved the following:

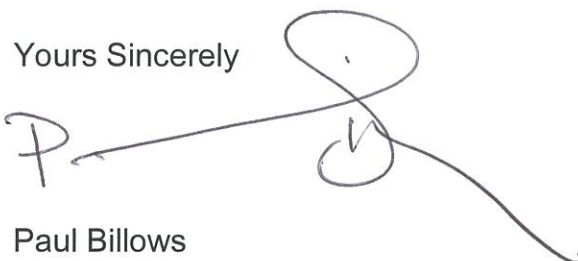

- **Thursday 19 November – school/preschool closure day.**
- **Friday 20 November – school/preschool closure day.**
- **Monday 23 November – pupil free day.**
- **Tuesday 24 November – pupil free day.**

Important Information

- During this time the priority is for year 11 students to complete their final assignments. They can communicate with their teachers via Daymap.
- During the student free days next week we will be in contact with all families to provide updated information and to ensure we support the learning for all students where necessary.
- All camps and excursions including work experience are cancelled for the remainder of the year
- The Open Afternoon for PASS planned for today has been cancelled

This is a challenging time. But I have complete trust and confidence in every one of you. We will support each other and our students through this time. I'll provide more information as it comes to hand.

Yours Sincerely

Paul Billows
Principal
