PLEASE NOTE: there will be only one bus run in the afternoons from Monday to Thursday if there are sufficient seats available.

The teacher on yard duty will ensure all run A students are seated first. If there are sufficient seats left available for all run B students, the bus driver will do a full bus run incorporating both run A and B stops which will extend the run by 5 to 10 mins. Therefore a second run will not occur when this happens. However, if there are insufficient seats available for all run B students, all run B students will be required to remain at school to wait for the second bus run, unless prior approval has been negotiated to travel home on run A.
